Principal Message

Thank you to our families for taking part in our 2024 parent survey. This information is used as part of our annual school reflection and helps inform our planning.

I am pleased to announce that we will be participating in the Anxiety Project for the next 2 years.

The Anxiety Project is a whole-school community approach to managing anxiety and building resilience in NSW primary school students.

I am attending a training session in Sydney on Monday so I can be trained to support all our staff and parents in the implementation of this project.

Harmonie Ricketts

Principal

Lowanna Red News

In Lowanna Red this week the students have been working on their masterpiece for the annual Cedar and Steam art exhibition, organised by the Glenreagh Museum. This year the theme is waterways, so with the combination of the students' photographs from the excursion to Nana Creek and their new abstract skills, their artworks will certainly stand out from the crowd. They look amazing!

Melissa Pfeiffer

Lowanna Blue News

Lowanna Blue has been busy with music and cooking. With potatoes direct from the school garden, the students cleaned, cooked and mashed them to enjoy with sausages.

In music the students have been learning about pitch, rhythm and beat. They enjoyed the interactive activities on the 'touch board'.

out yesterday. This note is to be returned to the office by the 2nd of April 2024.

Barb Eipper

From the office

A calendar has been added to the School Bytes Parent Portal for our families that include upcoming events and important dates for our school. I hope everyone finds this useful.

An expression of interest for Lowanna Blue to attend camp at Cascade this year in Term 3 went
